RocksEm @RocksEm · 23 Mar 2012

@ChrisBarnhart I think so to. Perhaps we can talk more about it when you are ready to not ignore what the FMA plainly states.

RocksEm @RocksEm · 15 Feb 2012

@ChrisBarnhart Yes, what about the "construed to require" part? Doesn't say you can't grant by statue. By vote. If states desire to.

RocksEm @RocksEm · 15 Feb 2012

@ChrisBarnhart Even that restriction would be unneeded if states like Mass weren't suing to force the feds & other states to do as they do.

RocksEm @RocksEm · 15 Feb 2012

@ChrisBarnhart Yes, just the word. Read it. Name one other restriction it reuires? There is none.

RocksEm @RocksEm · 15 Feb 2012

@ChrisBarnhart Other than that states. & the feds, are free to do as this wish. They aren't required to though as judges would suggest now.

RocksEm @RocksEm · 15 Feb 2012

@ChrisBarnhart yes, it does. It places no requirement on the states other than defining the word marriage as a man and woman.

RocksEm @RocksEm · 15 Feb 2012

@ChrisBarnhart Name one law, one benefit, one legal incident the FMA

RocksEm @RocksEm · 15 Feb 2012
@ChrisBarnhart Really? So why are state and federal judges requiring the word marriage be used? FMA s a reaction don't forget.

RocksEm @RocksEm · 15 Feb 2012
@ChrisBarnhart & states no state shall be required, that is by a judge, to do anything about other unions.States can still do it by statue.

RocksEm @RocksEm · 15 Feb 2012
@ChrisBarnhart No, it doesn't. It preserves the word marriage for the union of a man and a woman.

RocksEm @RocksEm · 15 Feb 2012
@ChrisBarnhart Yes, but the title of your piece is about the FMA. Motives don't change outcomes. The FMA doesn't do what you suggest.

RocksEm @RocksEm · 15 Feb 2012
@ChrisBarnhart Have you read the FMA? It takes no rights away from any state on marriage laws.

@JonHenke Those things can be overcome by good parenting for sure. But it's preferable.

RocksEm @RocksEm · 9 Jan 2012
